

Orderman Max2

FOR PERFECTIONISTS IN HOSPITALITY

Perfectly designed display – high-contrast, bright and glare-free, even in direct sunlight. And user-friendly input via pen and touch provides maximum

speed and convenience. Max2 and Max2plus are the standard for good business with perfect service.

BENEFITS AT A GLANCE

ONE-TOUCH BILLING

Charge for the most important food and drinks with a touch – flexibly adjustable

PRACTICAL FAX FUNCTION

Conveniently take special requests

SUNLIGHT COMPATIBLE DISPLAY

Also easy to read under extreme light conditions

HIGHLY ROBUST HOUSING

Watertight and shock-resistant

FLIP-VIEW FUNCTION

Own display view mode for guests

LONG BATTERY LIFE

Up to 18 hours

ORDERMAN RADIO

Uniquely reliable and robust

ADDITIONALLY INTEGRATED IN MAX2PLUS

BLUETOOTH CONNECTION FOR BELT PRINTER

The bill can be printed directly at the table. Combined with the magnetic card reader, wait staff can provide guests with continuous service – from order to payment. This also makes it easy to

order additional items.

OPTIONS FOR MAX2PLUS

Magnetic card reader (MSR)

Ordercard reader (for customer cards)

MORE SERVICE, MORE SATISFACTION, MORE SALES

All Orderman devices are designed specifically to meet the challenges of the restaurant and hospitality industry. Orderman handhelds are known for their robustness, long service life, extended battery life, and very stable and reliable radio technology. These properties together improve the speed, efficiency and profitability of restaurant operations. Orderman handhelds work with leading software and POS solutions worldwide, and are sold through qualified dealers.
